EDUCATION

B.Tech in Information Technology

Jaypee Institute of Information Technology, Noida | 2021 - 2025

CGPA: 8.0/10

WORK / INTERNSHIP EXPERIENCE

Data Analytics Intern — PayEase FinTech Pvt. Ltd.

Jun 2024 - Aug 2024

- Wrote SQL queries with joins and aggregate functions to analyse daily transaction success and failure rates.
- Cleaned and reconciled payment gateway data in Excel, flagging inconsistencies for the risk team.
- Built a Power BI dashboard tracking transaction volume, failure rate, and average processing time by payment method.
- Collaborated with the Risk team to identify 2 recurring patterns linked to failed UPI transactions.

PROJECTS

Loan Default Analysis (Coding Ninjas Capstone)

- Analysed loan application data using SQL and Excel to identify demographic and financial factors influencing default risk.
- Built a Power BI dashboard summarising default rate by loan category and applicant profile.

CERTIFICATIONS

- Coding Ninjas — Data Analytics with Excel, SQL, Power BI & Python (2024)
- HackerRank SQL (Intermediate) — Certified 2024
